

TIBETAN CHILDREN'S VILLAGE SCHOOL, SUJA (BIR)
COMPLETION REPORT

Project Title: Installation of fire extinguishers
Project Location: School auditorium
Library
Science lab
Computer room
Language room
Staff room
Classroom block
Kitchen
Dispensary
Office
Total Expenditure: INR 150,000/-
Project Sponsor: Pour Toi Du Monde, France

Brief Report:

The installation of fire extinguishers in different buildings of the school has proved to be very beneficial to the school as it provides safety from fire which mainly arises from spark of light or short circuit in the electricity especially during monsoon. The realization of the project also fulfills the mandatory requirement of the Central Board of Secondary Education (C.B.S.E.) for the school to be upgraded to class XI and XII. The school provided education only up to class X and from March 24, 2013, it got upgraded to plus two level (senior secondary school).

Details of the fire extinguishers:

S.No	Type of Extinguishers	Capacity	Quantity
1	CO2	4.5 Kg	3 pcs.
2	CO2	2 Kg	6 pcs.
3	ABC Dry Powder Stored Pressure	6 Kg	19 pcs.
TOTAL			28 Pcs.

Financial Situation:

We have received from "Pour Toi Du Monde" a generous funding support of Rs. 177,500/- (Euro 2,500) on 13th December 2012 for this project. There is an actual expenditure of Rs. 150,000/- and a balance of Rs. 27,500/-. If the donors approve, we propose to use the balance money to meet the cost of maintenance of these fire extinguishers in the years ahead.

Conclusion:

We are most thankful to all members of “Pour Toi Du Monde” for helping us meet the costs of the fire extinguishers. The successful implementation of the project has not only helped us in fulfilling the stated requirements but also in providing a safe school environment for our children.

THANK YOU VERY MUCH FOR THE GREAT SUPPORT!

Sonam Sichoe (Mr.)
Director
